## VISUAL IMPAIRMENT

2015. Hardcover. Book Condition: New. 236 About The Book:- This work has been undertaken by the author with the view to create an awareness about people with disabilities in general and people with visual impairment in particular and raise certain issues concerning their welfare in the Indian context. The First Chapter highlights the marked changes in paradigms for defining disability from the individual approach or more specifically the medical model to the social approach. This facilitates to understand the differing...

### Reviews

*This written publication is wonderful. It really is simplified but unexpected situations inside the fifty percent in the pdf. You will not truly feel monotony at any moment of the time (that's what catalogues are for about in the event you request me).*

-- **Dr. Jamar Willms**

*This publication will be worth purchasing. It is written in straightforward words and not hard to understand. I am just very happy to explain how here is the best ebook we have read in my own lifestyle and might be the best publication for at any time.*

-- **Devante Mante**

*This is the greatest book i have read through till now. It usually fails to charge excessive. You can expect to like how the blogger publish this ebook.*

-- **Adan Dickinson**
