A positive person anticipates happiness, health and success, and believes he can overcome any obstacle and difficulty. Positive thinking is not easy for by everyone. Some, see it as nonsense, and scoff at people who follow it, but there is a many people, who accept positive thinking as a fact, and believe in its effectiveness. To use it in your life, you need more than just to be aware of its existence. You need to adopt the attitude of positive thinking in everything you do. Here are in this book quotes to inspire you to succeed in the face of failures, setbacks, and barriers. Time moves in one direction, and your life should be moving in that same direction if you want to have the most satisfaction from it. Forward is the only way to go, it is the direction of life. If you re not moving forward, growing, expanding, taking on new challenges, you are moving backward.
