Brand New Book ***** Print on Demand *****.A myth that all Americans live with is the charade known as the Federal Reserve. It comes as a shock to many to discover that it is not an agency of the United States Government as you have just witnessed. Here is how it works in 2014. Fox News wouldn't tell you this (Well Glenn Beck did, and whether you like him (He also protected himself on many levels and lied so, I'm not a fan) or not he tried getting to it but what fired) The name Federal Reserve Bank was designed to deceive, and it still does. It is not federal, nor is it owned by the government. It is privately owned. It pays its own postage like any other corporation. Its employees are not in civil service. Its physical property is held under private deeds, and is subject to local taxation. Government property, as you know, is not. It is an engine that has created private wealth that is unimaginable, even to the most financially sophisticated. It has enabled an imperial elite to manipulate our economy for its own agenda and enlisted the government itself as its enforcer. It controls the times, dictates business, affects our homes and practically everything in which we are interested. It takes powerful force to maintain an empire, and this one is no different. The concerns of the leadership of the Federal Reserve and its secretive international benefactors appear to go well beyond currency and interest rates. Executive Order 11,110 President Kennedy's Executive Order 11,110 gave the Treasury Department the explicit authority: to issue silver certificates against any silver bullion, silver, or standard silver dollars in the...
