The last page of text always has the question: Do you know what the treasure chest blueprint is? The Bible. The very last page has a child s art with the Scripture James read to solve the problem. Through this simple story-telling series beginning with forgiveness, and filled with charming illustrations, children s artwork humor, and real-life challenges for children aged four to seven, they learn how to solve problems through Scripture in a way they can understand. It builds a foundation to be supported through parental communication, Sunday school, and church youth programs so they see the practical application in their lives, and which can continue into adulthood.
