Mill City Press, Inc. Paperback. Book Condition: New. Paperback. 414 pages. Dimensions: 8.5in. x 5.5in. x 1.0in. This book explores the crossroads of faith, violent behavior and social chaos as we approach the end of the Church Age. The Bible makes it very clear through prophecy and what Jesus said to his disciples about the End Times that conditions will become worse, not better, as we enter the Birth Pangs and Tribulation. Many people take comfort in the belief that God will rapture them off the earth when it gets rough. However, even respected experts who have spent their lives studying these matters cannot agree on the timing of the rapture. And God is not telling us - exactly. Others believe God will supernaturally protect them like He did the Israelites when God brought the plagues upon Pharaoh. This thinking is faulty to a great degree. Was David spared of Saul? Was Moses spared of gripping people and trying to manage survival in a desert? Was Joseph spared prison? Were the disciples spared prison and persecution? Look at your own life. Have you been spared every problem, heartache and challenge just because you are a Christian or believe in God? God gives people strength and supernatural provision to get through things and He does spare life. Yet, He does not remove all the difficulties. What is your plan for living through it? Drawing on relevant research and personal experience throughout his profession the author encourages the reader to think critically about these issues and provides a living blueprint to address them. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
