Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Howard Marks' Book of Dope Stories, Howard Marks, Since the Stone Age, drugs have been sniffed to induce sleep, mixed to cure ills, swallowed to stimulate creativity, snorted to increase sexuality, popped for the hell of it and smoked to see God. Natural or synthesized, they have been smuggled for all kinds of reasons from saving the world to becoming stinking rich. Blamed for deaths, wars, suicides, collapses of governments, multiple crashes, individual crises, anarchy and chaos, they have also been praised for opening minds and expanding consciousness. Worshipped and demonised, venerated and chastised, force-fed and forbidden. Every society has had its intoxicant, be it sacrament or scourge. They have also become irreversibly interwoven with politics, sex, business, religion, and rock and roll, providing writers, whether emerging from the ancient classical world or the street laboratory of today, with both inspiration and challenge. An unforgettable, once-in-a-lifetime trip, The Howard Marks Book of Dope Stories includes his favourite drugs writings from Alexander Dumas to Aleister Crowley via Hunter S. Thompson and Charles Baudelaire, as well as unpublished works and many new and compelling pieces from Mr Nice himself.
