The Correllian Nativist tradition is one of the largest and fastest growing Wiccan traditions in the world! Approachable and informative, this three-volume teaching series will prepare you for initiation into all three degrees of Correllian Wicca. Book one introduces Wicca as a spiritual path and what it means to be a witch. In twelve lessons, you'll learn about magic, ritual, invocation, divination, energy work, crystals and more. From magical alphabets to advanced energy working, the second volume builds upon this foundation and also discusses the duties of second degree clergy. Every lesson in these first two volumes highlights a deity and a spell, and features study questions, a glossary, and exercises to develop your psychic and magical skills. Witch School Third Degree is for those who are called to Wicca as a vocation. This text explains the responsibilities of the High Priesthood and the challenges and needs of the Wiccan community. You'll also explore the mysteries and spiritual concepts such as astral travel and shapeshifting, the nature of the soul, the nature of time, the Ennead, karma, past lives, and conscious incarnation and evolution.
