First, there s the death of the former prostitute who helped Catherine when she was still a child. Next, the CIA operative who had known her ever since she was pulled into the agency at the age of fourteen. And now Luke is in the killer s sights. CAN SHE HIDE FROM THE TRUTH? Luke is Catherine s only son. Kidnapped when he was only two years old, Catherine devoted nine years of her life to finding him-and she will not lose him again. Can Catherine, who has made countless enemies throughout her life, protect the ones she loves the most-including Eve Duncan, whose forensic skills were instrumental in freeing Luke-without putting her own life at risk? All she knows is that she will die trying, if the killer doesn t get to her first. quote;Iris Johansen keeps the reader intrigued with complex characters and plenty of plot twists.quote;-Peoplemagazine.
