Brand New Book ***** Print on Demand *****.BOOK SUMMARYWhat Ever Happened to Ratsy Patsy? is a collection of true happenings in the lives of Patricia, her husband, her children and their children. Some of these stories are actually life and death situations from which Almighty God spared those involved. Some stories are heart rendering, some are like watching a thriller on television, and some will make you smile and laugh. Enjoy!AUTHOR BIOPatricia F. Thomas was born in Edwardsville, Pennsylvania in March 1936. Her love of reading and writing began in school and continues to this day. When she was a Reading Aide a number of years ago at a local grade school teaching second and third graders, she wrote several stories for the kids. She and the children also wrote a fun Christmas play with each child having a part using hand puppets sewn by her Sister, Sharon. They presented the play for the Principal of the school and he thought it was wonderful. Patricia firmly believes education is the key to a strong foundation for life. She especially believes reading and the comprehension thereof is of the utmost importance. Her favorite past-time is, of course, reading. Patricia and her family relocated to California in the early 60 s for her health and their son s health concerns. It has been a great adventure living on the west coast. Although Patricia is 74, she still works full time as an administrative assistant for a local architectural firm. Patricia has a husband, two sons, two grandchildren, and one great-grandchild. She believes having this book published will hopefully bring enlightenment, understanding and appreciation for all God does for His children.
