Clovercroft Publishing, United States, 2016. Hardback. Book Condition: New. Daniel Pagan (illustrator). 234 x 229 mm. Language: English . Brand New Book. Join the journey as the Statue of Liberty steps down from her pedestal to take you on a search for Super Citizens across America. You ll meet presidents, doctors, veterans and more as they all point to one shocking conclusion: Our next Super Citizen can be found by taking a good look in the mirror. In an era where heroes are often defined by fame and fortune, Libby introduces us to people of substance and character. And she shows us that the real heart of America lies in our own hearts. The Libby Liberty series parallels Liberty Learning Foundation s unprecedented, real-world bus tour that presents actress Kristen Sharp (Libby Liberty) on elementary school stages. Kristen was in NYC on 9/11 and attributes the experience as part of her motivation to appear as the Lady in Green who teaches future generations. The nonprofit orchestrates emotional performances, donates free teaching tools, trains teachers and watches as students honor heroes from stage. A portion of Libby Liberty book sales helps sustain the movement that is teaching, inspiring and empowering our Next Great Americans.
